

# ISLAND SAVINGS

IT'S GOOD TO BE HERE.™

**Job Posting 2009-089  
Treasury Analyst  
Victoria/Duncan, BC**

Looking for an opportunity to be an active member of an exceptional finance team where your ideas are valued, you are given opportunities for growth AND you get to have fun, then consider our opening for a Treasury Analyst. Reporting to the Manager, Treasury the Treasury Analyst supports the development, implementation and maintenance of treasury and asset/liability management practices for Island Savings by providing quality financial analysis, treasury, and accounting support to the Finance department.

Our preferred candidate will have 4+ years of related and progressively responsible experience in a Treasury role, or as a minimum have had Treasury experience as a significant component of their financial responsibilities. You likely have a CA, CGA, or CMA behind your name, however senior level students with in-depth treasury experience will be considered.

At Island Savings we encourage our employees to look for ways to make our business better which is why you must have advanced analytical and problem-solving skills. As you will be responsible for developing new treasury management practices, you should be the type of person who intuitively knows when to dig deeper, ask more questions, and investigate or analyze further in order to make recommendations.

Island Savings is the fastest-growing financial institution based on Vancouver Island and one of the ten largest credit unions in the province. We're also a great place to work! So, if you would like the opportunity to be a part of our team please send your resume to:

Manager, Human Resources
